MEMORANDUM FOR: Associate Deputy Director for Intelligence

SUBJECT : STATINTL
Request to Speak at University of Connecticut -
[REDACTED]

1. I request approval to give a colloquium before a small group of students and faculty in the Political Science Department of the University of Connecticut on April 19, 1976. I taught at the university for four years, until June 1975. My former colleagues and students are aware of my Agency affiliation, and interested in a comparison of academic and OPR research. In an informal, one-hour presentation, I plan to compare my university and OPR research experiences, discussing the general type and methods of research in OPR, but not disclosing any classified information.
